**Administrative Hearings:**

The Stewards have reached a decision concerning trainer Mr. Donald Roberson, for being in possession of syringes, hypodermic needles, unlabeled injectable medications, and labeled injectable medications, on the grounds of Delaware Park. Mr. Roberson for admitting to the possession of the confiscated illegal injectable medications, needles and syringes on the grounds of Delaware Park, is hereby suspended for a period of two years beginning Saturday, August 10, 2013 through and including Monday, August 10, 2015. Mr. Roberson is also fined the sum of two thousand five hundred (\$2,500.00) dollars, along with the cost of testing for the confiscated items, in the amount of fifteen hundred (\$1,500.00) dollars. The Stewards respectfully refer Mr. Roberson's case to the Commission pursuant to Rule 3.4.1.16 for further consideration and action if deemed appropriate by the Commission. Mr. Roberson's attorney Mr. Alan Pincus has indicated that he will file an appeal for Mr. Roberson.

**Equine Forensic Drug Testing:**

Post-race test results from Dalare Associates for July 31, August 1, August 3, and August 5, 2013 were all clear with the following exceptions.

The following samples for July 31, 2013 are on hold. Sample #D-8623 retained from the horse, "Starforaday" from the 3<sup>rd</sup> race on July 31, sample #D-9887 retained from the horse, "Dr. Drew" from the 7<sup>th</sup> race on July 31, and sample #D-4040 retained from the horse, "Gotta Go Gold" from the 3<sup>rd</sup> race on July 31, are currently on hold by the laboratory for further testing.

Sample #D-4040 retained from the horse, "Gotta Go Gold" from the 3<sup>rd</sup> race on July 31, that was on hold by the laboratory for further testing, was declared clear by the lab.

Sample #D-8623 retained from the horse, "Starforaday" which ran in the 3<sup>rd</sup> race on July 31, and sample #D-9887 retained from the horse, "Dr. Drew" from the 7<sup>th</sup> race on July 31, both have tested positive for "Stanozolol" over the allowable amount of 100 picograms per-milliliter of plasma. Commission Inspector's Swift and Delaney conducted a barn search of trainer Juan C. Vazquez, regarding the positive test. Inspection of the barn and tack rooms assigned to trainer Vazquez revealed "Acepromazine" pills prescribed by his veterinarian. An interview of subject's veterinarian, Dr. Moury was also conducted. Subsequently, trainer Vazquez appeared before the Stewards, stating that he will have split samples sent.
